DETAILED ACTION

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 1-10 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1 (lines 15-16), claim 9 (lines 14-15) and claim 10 (lines 14-15) recite the limitation "the bottom plane wall" in the claims. There are insufficient antecedent basis for this limitation in the claims. Claims 1-8 dependent to claim 1 therefore are also rejected for the same reason as that of claim 1.

Claim 5 recites the limitation "said storage volume" in line 4. There is insufficient antecedent basis for this limitation in the claim.
